HISTORY (PLEASE USE BACK OF FORM AND PLEASE PRINT CLEARLY) You might include special features of this boat, which parts are original, exciting past owners, how far she's voyaged, incidents in history of boat, and any changes/improvements you've made. We'd love to know when and how you obtained your vessel and how many owners she's had. We use this information to publicize the Festival and on individual vessel placards to inform the public.

We regret that, because of expenses incurred before the Festival, should the event have to be canceled, we will be unable to return your check. We have had to cancel only once in 27 years due to an untimely hurricane.
